The meeting was introduced and run by Commissioner Russell Platamone and the subject was to cover all job positions and to make sure Region 121 was prepared for opening day Saturday, September 11, 2011.

Russell discussed the opening 911 Ceremony that was going to take place at 9am on the main fields with a dedication to all the brave victims and survivors of the 911 attack. The Simi Valley Police Color Guard were to present the colors while Russell read a short dedication followed by a patriotic song.
